## The CCPP Toolkit

**Directions:** Choose one content catalyst, one process, and one product to design differentiated activities.

### Content Catalysts

advertisement, commercial	demonstration	model	PowerPoint presentation
anecdote	diagram	moral dilemma	problem
art activity	display	movement	profiles of people from
article	editorial	movie or video	books or magazines
artifact	editorial cartoon	music	quotations
artwork	excerpt	newspaper	scenario
autobiography	exhibit	novel	simulation
biography	fable, folk tale, myth	open-ended question	slogan
case study	field trip	panel discussion	speaker
chart	historical fiction	picture, photograph,	speech
comic strip or cartoon	interview	illustration	story
computer software	letter to editor	picture book	survey or research results
dance or drama	metaphor, analogy	plan	time line
performance	mini-lecture	poetry	Web site

### Processes

adapt	determine	initiate	record
analyze	develop	innovate	refine
appraise	diagram	integrate	reflect
assess	differentiate	interpret	reformat
calculate	distinguish	invent	research
categorize	dramatize	investigate	respond
choose	employ	judge	review
classify	estimate	justify	revise
compare/contrast	evaluate	make	select
compose	examine	manipulate	sequence/order
construct	experiment	model	solve
convert	express	operate	support
create	forecast	organize	synthesize
critique	formulate	practice	transform
decide	hypothesize	predict	translate
deduce	illustrate	prioritize	use
demonstrate	implement	produce	value
design	incorporate	question	verify
detect	infer	rate	write

### Products

advertisement	costume design	investigative report	play
advice column	critical review	limerick	policy statement
animated film	demonstration	magazine article	puppet show
book jacket	experiment	mask	radio program
campaign for product or	fairy tale/folktale	oral presentation	rhyme/riddle
candidate	formula	photo essay	slide show/PowerPoint
comic book	guidebook	pictorial tour	presentation
